

Meridian Robotics - Employee Handbook

Company Overview

Meridian Robotics was founded in 2016 and is headquartered in Austin, Texas. The company designs and builds autonomous warehouse robots used by logistics operators worldwide.

Paid Time Off Policy

Employees accrue 18 days of paid time off per year. Sick leave is capped at 10 days annually and does not roll over. Parental leave is provided at 16 weeks paid for the primary caregiver.

Information Security Policy

All company laptops must have full-disk encryption enabled before first use. Passwords must be rotated every 90 days. Security incidents must be reported to the security team within 24 hours of discovery.

Travel and Expense Policy

Travel expenses under 75 dollars do not require a receipt.

Reimbursement requests must be submitted within 30 days of the expense date. The approved travel booking tool is called TripLedger.

Remote Work Policy

Employees may work remotely up to 3 days per week. Remote workers must be reachable during core hours of 10 AM to 4 PM Central Time. The annual home office stipend is 500 dollars.
